2nd June, 2025, National: Jagran New Media, the digital wing of Jagran Prakashan Limited, announces the revamp of its English news platform to a standalone, premium destination, [TheDailyJagran.com](https://thedailyjagran.com), with a brand new identity. This move marks a significant milestone in strengthening the brand's independent digital presence and legacy for delivering credible, engaging, and timely content in the English language.

As English vertical takes on its new avatar, the brand reiterates its foundational promise — “From the House of Trust, Comes a New Daily.” TheDailyJagran.com is now live and ready to become the go-to English news platform for readers seeking verified news, insightful perspectives, and a credible take on current affairs.
